Mount Molloy, named after Pat Molloy who discovered copper there in 1885 lies only 55 kilometres north of Cairns and only 30 minutes from Mareeba. Today, Mt Molloy's fame is with its bird life. Almost 300 species have been recorded within a 15km radius of the town. It is also the home of the Great Bowerbird. Facilities in Mt Molloy include State School, pub, Post Office, general store, café and takeaway (with arguably the World's Best Hamburger!).
