PRIME LOCATION - FULLY RENOVATED APARTMENT

This spacious two bedroom apartment is located almost in the beating heart of Port Douglas and is positioned on the beach side of Davidson Street....

The Northerly aspect within the 'Marina Terraces' complex provides for excellent natural light to enter the living areas of the apartment and bathes the private patio most of the day! The property really could not be located in a better spot both in terms of the town itself but also the complex.

Consisting of two air conditioned bedrooms (both with built in robes) and a large living/dining and kitchen the property is of an excellent size and will be comfortable for longer stays for you or your guests. The large bathroom incorporates a full laundry, again perfect for those longer stays.

The owner has completely renovated the apartment in recent times from floor to ceiling, with a brand new kitchen & bathroom to start...here is nothing to do.

The color palette and furnishings are right on trend, this apartment is super cool!
