A Perfect Retreat - REDUCED FURTHER TO SELL IMMEDIATELY!

Motivated vendors have reduced the asking price by a further \$10k to sell this 'neat as a pin' property.

The home may not be brand new - but this three (3) bedroom air-conditioned (plus office) property looks better than new! Presented in a display home fashion, it is obvious that this home has been loved and cared for in a way that most of the competition could only dream of....

Being designed with the surrounding environment firmly in mind, not only is there a massive rainwater tank and 5KW solar power system but the orientation of the home assists the outdoor area avoid the hot afternoon sun, while the pool stays at just the right temperature.

Situated in the uber popular Port Pacific Estate, this small enclave has a quieter, more comfortable feel and surrounds. The residents are just loving the community spirit and 'hidden away' aspect that Port Pacific provides, not to mention the abundant cooling prevailing breezes, or spectacular sunsets over the mountains....
