111-119 Port Douglas Rd, Port Douglas

An Incredible Port Douglas Site

A very rare opportunity exists with the opportunity to purchase this prime medium density residential site. The first time it has been offered separate from the adjacent large resort complex in over 20 years.

A very prominent and high exposure site that boasts wide frontage to the main (the only) road into Port Douglas village centre. There is a formed public walkway direct to the beach directly opposite the site. The 'Bally Hooley' tourist train has a pickup/drop off platform directly out the front for town access.

The property meets the Mirage Country Club Golf Course to the rear. Opportunities would exist for both access and memberships as well as potential hinterland sunset views.

The site has been used as the sporting and leisure centre for the neighbouring resort for many years. Constructed is a 25 metre lap pool with 8 painted lanes which has a large timber sun deck surrounding and a covered gazebo structure. There are two (2) tennis courts (hard court) both lit and fenced along with a gymnasium. The gymnasium being now open plan was previously a single level dwelling with kitchen, bathroom, living, two bedrooms and veranda – it would have potential as a display and sales
