A Home, a Shed, a Dam and So Much More

15 hectare (37 acres) freehold property located approx 24 km east of Mareeba and 11 km west of Kuranda.

A large 4 bedroom home with an additional office greets you on arrival, featuring some air-conditioned bedrooms and a really functional open plan living, dining and kitchen area. Plenty of undercover parking is on offer. This home is ready for occupation.

Adjacent to the home is a large shed and a fully self contained living area ? which with a little work could be made into the perfect teenagers retreat?

Above the home and located within a fully fenced enclosure is a dining and entertainment area with timber floors and a kitchenette ? sufficient for those who enjoy catering for large crowds.

From this elevated area there are spectacular views down across your land overlooking the large dam ? popular with local bird life and all who will visit.

There is serious perimeter fencing in place and an acre around the dam fenced (sufficient to keep a rhino in). In addition around the dining/entertainment area there is a 7 acre fully fenced area and an adjacent small fenced area. All of which would suit a large variety of different uses.

There is a small dam near the house an ideal spot for enjoying the setting sun, a cool beverage and a good book.
