and the shops. Less than 250m is the iconic 'Fourmile' beach... Perfect.

- Unit 14 is located in a penthouse position - close to the lift, with zero immediate neighbours, with views over the main road towards town and 3 balconies to ensure you can always catch a great breeze.

Fully refurbished in recent years this resort has experienced a full make over... even though the resort is only young having been constructed in 2003, the high standards which make Meridian so successful and bring repeat business have caused the owners to ensure that the success will continue for many years by carrying out these improvements... the cost has been paid and you get to reap the benefits.

The sellers are regretful about needing to divest this cracker investment having owned it since new, but the inability to travel from the UK to visit over the last year and in the near future is their driving motivation to sell and your good fortune.
