POSITION, POSITION, POSITION

The saying is that position and location are everything in real estate and apartment 8 @ Central Plaza is just that, well located just a few minutes' walk from the beach, Marina and the Village centre and positioned overlooking the huge pool within the resort itself.

The well appointed two bedroom apartment has had a mini refurb in recent times with fresh paint, new white goods and is about to have the bench tops replaced, this property will look as good as new!

Being sold fully furnished and returning well to the owners this property is quite possibly the best two bedroom resort apartment currently for sale at the price point.

You will love the spacious balcony that overlooks the pool, just right for a sundowner and keeping an eye on the kids while they swim. The kitchen is also afforded direct pool views lending itself to a safe family holiday...

This property is so popular that it was voted by guests as #6 in the entire country for families on trip advisor.

The property features tiles floors throughout; built in robes, internal laundry, ceiling fans...the list goes on!

Let this property be the one, you won't regret it!!
