An air-conditioned, 'L-shaped' living and dining area with a central kitchen works beautifully in creating both space and family interaction.

Living flows out to the large, covered patio which is just perfect for entertaining – enjoying the tropical lifestyle whilst overlooking the great swimming pool.

The master bedroom is one of the largest you will find, complete with an impressive ensuite, walk-in robe and great airflow. The guest rooms are also spacious, with built-ins and new air conditioning exists in all but one of the rooms.

Size matters and with an incredibly rare 1000m² parcel of land there is loads of room for the family. Ideally a new, standalone, shed with power awaits at the entrance to the side yard and double gates provide perfect access for trailers, boats and caravans.

This home is ready for your family and promotes tropical living. This property is immaculate and has been looked after as new by the sellers who are only selling due to work relocation.

Located just 10 minutes' drive from the Port Douglas turn-off and 5 minutes from the Mossman township, you are ideally based for schools, supermarkets, shops and restaurants, whilst having the benefits of living in a close knit, safe, yet easy going community.
