THREE BEDS FOR THE PRICE OF TWO & RENDEZVOUS

That's right this is a fully renovated, fully furnished upgraded Villa that is without compare in the resort. Not only is the property in excellent condition but the owner has added a third bedroom... extra room same price!

Located in Stage 1 of the resort this property has just the one direct neighbour and sits far enough away from the central facilities to provide peace and quiet but mere seconds to two of the three on site swimming pools.

Villa 35 features a floor plan that provides a semi separate dining area from the lounge without closing off the space, and has been extremely popular with families for this reason. The spacious ground floor also includes the sizable kitchen, internal laundry, second bathroom and private covered patio at the rear.

Once up stairs the three bedrooms are serviced by a central bathroom and the master has a very large wrap around balcony that is just perfect for a bit of relax time and a quiet G&T at the end of a long sun soaked Port Douglas day.
